

Academic Vocabulary Mini-Project

Now that you have spent some time thinking about the relationships between these vocabulary words, we have a challenge for you.

The Challenge

Take two or more of the words and make an in-depth comparison and contrast of them.

You must give extensive definitions of each word and then show their relationship to each other through an illustration.

Your final project will be an attractive mini-poster.

Compare Contrast Demonstrate Explain Support
Develop Infer Interpret Summarize Analyze

Planning Space

Word 1 _____ Definitions	Word 2 _____ Definitions
How are they related to each other?	

Name/Period _____

Academic Vocabulary Mini-Project Rubric

Total _____/20

The definitions are detailed and thorough.	5	4	3	2	1
The illustration/acting helps others to understand the relationship of the words.	5	4	3	2	1
The relationship is logical and improves understanding of each word.	5	4	3	2	1
The final product is professionally presented with no grammar, spelling or punctuation errors.	5	4	3	2	1
